EMPOWERING

- MHDТ has been awarded 10 laptops by the National Device Bank to distribute to digitally excluded residents.

CONNECTING

- Supported 11 people to get online through free, pre-loaded SIM cards from the National Databank.

CREATING THE SPACE

- Provided free/discounted venue hire for 24 bookings in December.

A ROBUST AND SUSTAINABLE ORGANISATION

- Income from bookings at the RCC continues to be above monthly targets, with 3 long term tenants renting office space, as well as a host of regular clients including ceramics, Parent Club and Girls Friendly Society.

INFLUENCING THE POWERFUL

- MHDТ carried out local stakeholder mapping exercise as part of community resilience project with Groundwork and British Red Cross. This will inform work to establish RCC as local community resilience hub.

Muster Point

Establishing a physical, trusted base known by the community for community resilience activities, such as the creation of an Emergency Muster point. As well as a location to run optional emergency scenario exercises.

Community Resilience Education

A space for training, convening and promoting awareness of local networks, and volunteer groups through community focused outreach and engagement, supported by in person and remote training and workshops.

Coordination & Communication

Single point of access for community resilience related information and resources. As well as sharing and celebrating best practice amongst communities through participation in regular support groups, award schemes, and national networks.

Community Building Activities

Bring together individual volunteers, community groups, voluntary organisations, local authorities, businesses and community resilience professionals, and regional networks, enabling a more joined up approach to community resilience.

Storage

Spaces for the storage of equipment, food, water, medicine and other emergency supplies. Spaces for liaison with emergency resource such as cash-based assistance. Virtual spaces for storage of guides, toolkits, trainings and documents.

Projects

- In December we distributed over 1000kg of food to 89 residents through Community Fridge, supported asylum seekers to cook 70 meals, and issued 18 Hackney Foodbank vouchers.
- Carried out stakeholder mapping exercise of local VCS groups, venues and resources as part of the community venue emergency response project we are working on with Groundwork South, British Red Cross and Hackney Emergency Planning team. Will be contacting local stakeholders this month about participating in the project.

Projects continued

- Neighbourhoods: Woodberry Wetlands action group organised a focus group for 16-19 years old on 10th December to gather insight on barriers to accessing sexual health services. We distributed information about where the sexual health clinics are in Hackney. The insights gathered will be passed to the appropriate teams and fed into the City & Hackney Sexual Health Strategy.
- In Q1 2025 the action group will be focusing on our 2nd priority- support for residents with social isolation who have long-term health conditions. We will also be putting together a proposal for the health inequalities funding.

SUMMARY

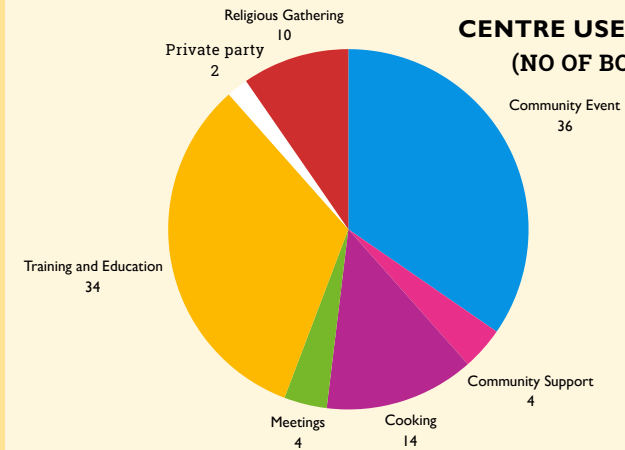

- These charts provide data on use of the RCC between 1st December - 31st December 2024. We host different activities, some of which are open to the public, including church services, prayer meetings, exercise groups and community events. Community event represents events that are open to the public for free or at low cost eg: church, youth group, vegetable collection, yoga etc. Community Support events are bookings that provide support for disadvantaged members of the community, e.g. Refugee cooking sessions, SEND support etc.
- The graph at the bottom right illustrates the types of bookings and the number of each booking type we have at Redmond. Our primary bookings are regular reservations, which occur weekly or monthly and are offered at a discounted rate.
- Our office space is fully utilized, with three rooms currently booked on a monthly basis by Hackney Works, Hackney Libraries and Ek Outreach (shown as office space in the Chart). Additionally, we accommodate private and community events, which may or may not be LDT funded.
